Traveller point calculations:										
> Cumulative across events										
> For participation at an event, each sailor is awarded the number of boats in their Division at that event										
> 1 point for each boat beaten at an event										
> Scored individually. Where a team competes together across events and wins both team members are assigned the trophy										
> Total = weighted average of Results and Participation										
Key:										
NP=Not Present, NS=Not Sailed, Name*= no membership paid this season
