

Fireball World Championships

Kenya, February 2028

Why Kenya?

- We have been sailing Fireballs for 57 years
- Because we will ensure you have a great time
 - On the Water: great sailing
 - Off the Water: great social & events
- Your supporters will have a great time
 - Spectating from land and sea
 - Great activities
- Stay for longer, go on that Safari

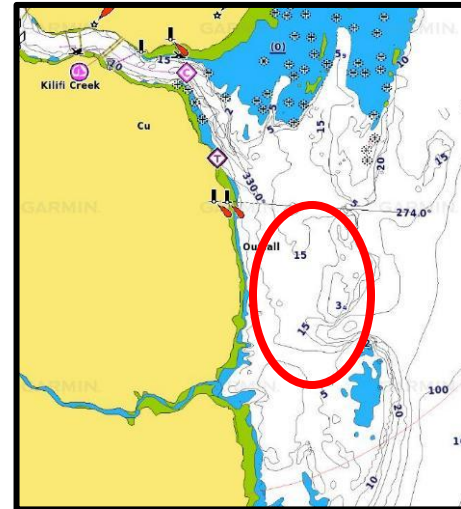

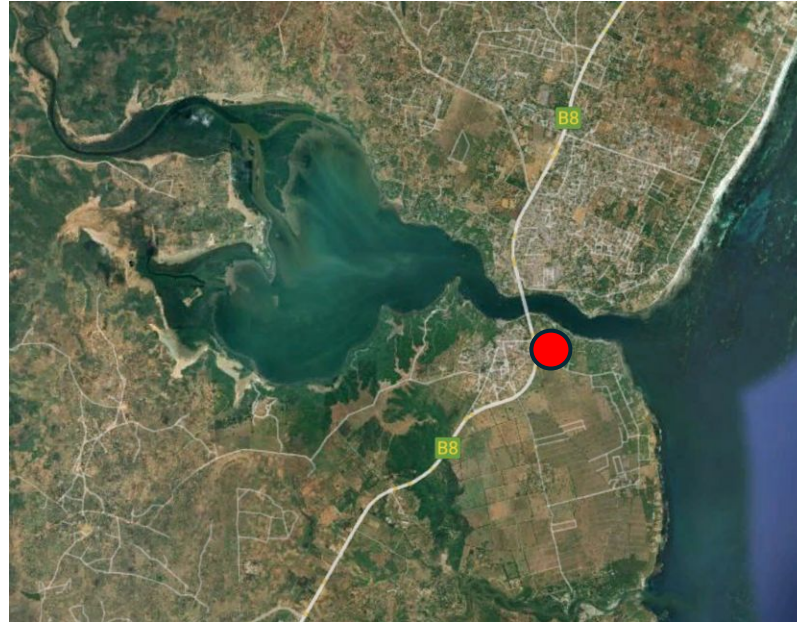

Why Feb 2028?

- Feb 2027 is too soon after Torbay in August 2026
- We have good winds in February
- It's the European winter, boats are not used, and so we want you to travel!

Where in Kenya?

- Local Forest Walks

Security

- Kenya has a large tourist industry
- Thousands of people visit the coast each year: Mombasa, Malindi, Watamu, Diani, Kilifi
- The UK's FCDO advise against travel to some parts of Kenya, on the Somali border. This is a long way away, not near us.

Thank you!

We hope to be awarded the Regatta

We look forward to seeing you in
2028
