## **International Fireball Association** **of South Australia**

**An Open Letter,**

**To prospective Sponsors.**

Dear Sponsors,

The International Fireball Association of South Australia is conducting the 47<sup>th</sup> Zhik Australian National Championships at Port Lincoln from 28<sup>th</sup> December 2012 to 4<sup>th</sup> January 2013. This event is the culmination of the Fireballs 50<sup>th</sup> year celebrations.

We are seeking Sponsors to assist with the delivery cost of this series, our proposal is that as level one sponsor your cost will be \$1000, for this, you will be granted, full acknowledgement on all correspondence and advertising, and recognition at the event, as well as providing you with a \$500 options package for the event, the options are; Food and drinks, nomination fees or the new years day trip.

You may also indulge in providing your Business with any type of promotion at the event as you see fit, and is acceptable to the Committee, where it can benefit your Business to its fullest advantage.

What we have at your disposal is the Port Lincoln Yacht Club, internal, external surrounds with views from the main road and beach frontage plus the opportunity out on the bay (Boston Bay) such as committee/ rescue boat and large inflatable buoys. Competitors and Boats are also able to carry provided advertising.

This is also at the peak of the tourism time.

We are also promoting a level two group which is the same as the level one, except that the cost is a low of \$500 with an options offer of \$200. The same promotional offer as level one applies.

A level three package, of full acknowledgement on all correspondence, advertising and recognition at the event is available at \$150.

If in the event that a conflict between promotional issues arises, then the higher level takes precedence.

The removal of promotional material will be done at the conclusion of the event by the erector or his/her nominee.

President of the  
International Fireball Association of South Australia  
Dave Godden
