**J. A. V. Castle Trophy**

John Castle was the inaugural President of the International Fireball Association of Australia. He also held a high position in the amateur boxing association and was a friend of Arthur Tunstall who was not only involved with the amateur boxing but also the Australian Olympic Committee. Both John and Arthur were friendly with the Vick family. Gordon and Graham Vick were the early winners of the Australian Fireball Championship and we understand that Mr. Vick senior approached John Castle regarding the position of Fireball President due in some part to his high profile in the sporting arena and his administrative capabilities.

**Tillett Family Perpetual Trophy**

Steve Tillett was heavily involved with Fireball when his twin sons (Chris & David) moved from the International Cadets to Fireball in the early 1970's. Steve served on the organising committee for the 1974 Fireball World Championship. At this time he was the South Australian President of the Fireball Association and had the honour of welcoming HRH The Duke of Edinburgh who opened the 1974 Fireball World Series. His ongoing support for Fireball continued for many years and his contribution to the class was invaluable.

Chris and David Tillett sailed Fireballs for many years after winning the International Cadet World Championship in 1970. Chris went on to win the 1982 Fireball World Championship with Mike Rogers and he represented Australia in the 470 at the 1984 Los Angeles Olympics.

David became an International Sailing Judge and has been Chairman of the International Jury for ISAF and the Olympics, Chairman for the International Jury for the America's Cup and an adviser to New York Supreme Court for the Americas Cup!
