Total Fireballs / Division Competitors	15	16	12		8									51		

Traveller point calculations:

- > Cumulative across events
- > For participation at an event, each sailor is awarded the number of fireball sailors in their Division at that event
- > 1 point for each fireball beaten at an event
- > Scored individually. Where a team competes together across events and wins both team members are assigned the trophy
- > Total = weighted average of Results and Participation
